Federal employees and retirees:
Do 60, Give 60 with the CFCNCA!

During the 2021 Combined Federal Campaign (CFC), we are recognizing 60 years of meaningful change and charitable giving by the federal community! Since establishment in 1961, generous changemakers like you have pledged over $8.5 billion to participating charities. To celebrate our impact, we invite you to take part in our Do 60, Give 60 challenge.

**Do 60**
Choose an activity and timeframe in an increment of 60. We recommend volunteering, reading a book, walking in a park, or trying a new hobby for 60 minutes. If you want a physical challenge, try doing 60 push-ups or 60 jumping jacks!

Look to your CFC representative for an office-wide event invitation to participate in an activity with your colleagues.

**Give 60**
Make a $60 one-time gift in addition to your regular pledge to recognize your “Do 60” effort and the 60th anniversary of the CFC.

Even $60 can provide life-changing help to someone in need. Pledge through the [online portal](#) or the [CFC Giving Mobile App](#).

**Inspire**
Share your CFC story with colleagues, friends and family, and invite them to join this 60-year giving movement. You never know who you’ll inspire!

To be featured on social media or an upcoming newsletter, email photos of you taking in the challenge at: [marketing@cfcnca.org](mailto:marketing@cfcnca.org)
